

OUR HEROS

Athletic Treads is giving away socks to local healthcare workers.

For every pair of shoes purchased through the end of May, Athletic Treads will donate a pair of performance socks to a local healthcare worker sacrificing their own well being in efforts to combat Covid-19. On top of that, we will also give the purchaser a free pair of performance socks for themselves because we understand these times are hard for everyone. However, if you feel you do not need the socks, we will happily donate them to medical staff as well. Together, we can help make those front-line Covid-19 healthcare workers just a little more comfortable.

As a reminder, our store is closed for in-store shopping (during the shelter in place), but we have launched a contactless, free home delivery or curbside pickup option. Please give us a call at 408.297.0100 and let us know what shoe model / size you are looking for. If you are not sure what shoe is best for your foot type, please ask us for a Virtual Fitting or Social Distancing House Call.

Thank you for supporting the Willow Glen 5k Run/Walk
